WHY USE DASH CAMS?

INSURANCE CLAIMS & PREMIUMS

If there is ever any doubt over who is at fault, and if it's your word against theirs, footage recorded by a dash cam can help to resolve the dispute quickly and correctly. Insurers are offering discounted premiums for clients who have Dash Cams fitted to their cars!

DRIVER EXPERIENCE RECORDING

Driving has now become a hobby with drivers spending many hours on the road enjoying fantastic views and terrain. Some vehicles are specially used for track days and various driving experiences. Now you will not miss out on creating video memories of your driver experiences to share with friends and family.

PEACE OF MIND

Never Drive Alone with our Dash Cam system and be assured of always having any accident or incident covered with your very own built-in witness.

OUR CUSTOMERS ARE ASSURED OF THE PERFECT IN VEHICLE DASH CAM TECHNOLOGY
